**NAPA VALLEY**

# Welcome to Silverado Resort

Set upon 1,200 beautiful acres, in the heart of the world-famous Napa Valley, is one of the nation's most captivating and highly rated group destinations ~ Silverado Resort.

A treasured California landmark for over 140 years, Silverado's rich history began in the 1870s as the residential estate of a Civil War General. Today, a multi-phased, multi-million dollar renovation has transformed the resort into a contemporary and sophisticated meetings venue ~ while preserving its gracious character and charm.

The resort's 280 suites, two championship golf courses, full-service Conference Center, innovative dining options, the region's largest luxury spa, plus a prime location in California's acclaimed wine country, create an environment ideal for relaxation, inspiration and productivity.

We proudly invite your interest in our group facilities, services and amenities and look forward to delivering an unsurpassed wine country adventure for your next conference or event.

*A California landmark.  
Stylish multi-million dollar enhancements.  
A captivating wine country group destination resort.*

# Guest Accommodations

Inspired by the casual elegance of wine country living, Silverado's 280 suites feature custom décor, classic furnishings and thoughtful amenities.

Silverado guests may choose either Junior Suites, spacious king rooms with sitting areas, or one- and two-bedroom suites which offer a full kitchen, dining room, living room, master bedroom and bath. Each suite houses a wood-burning fireplace and opens to a private patio or balcony enhancing views of surrounding

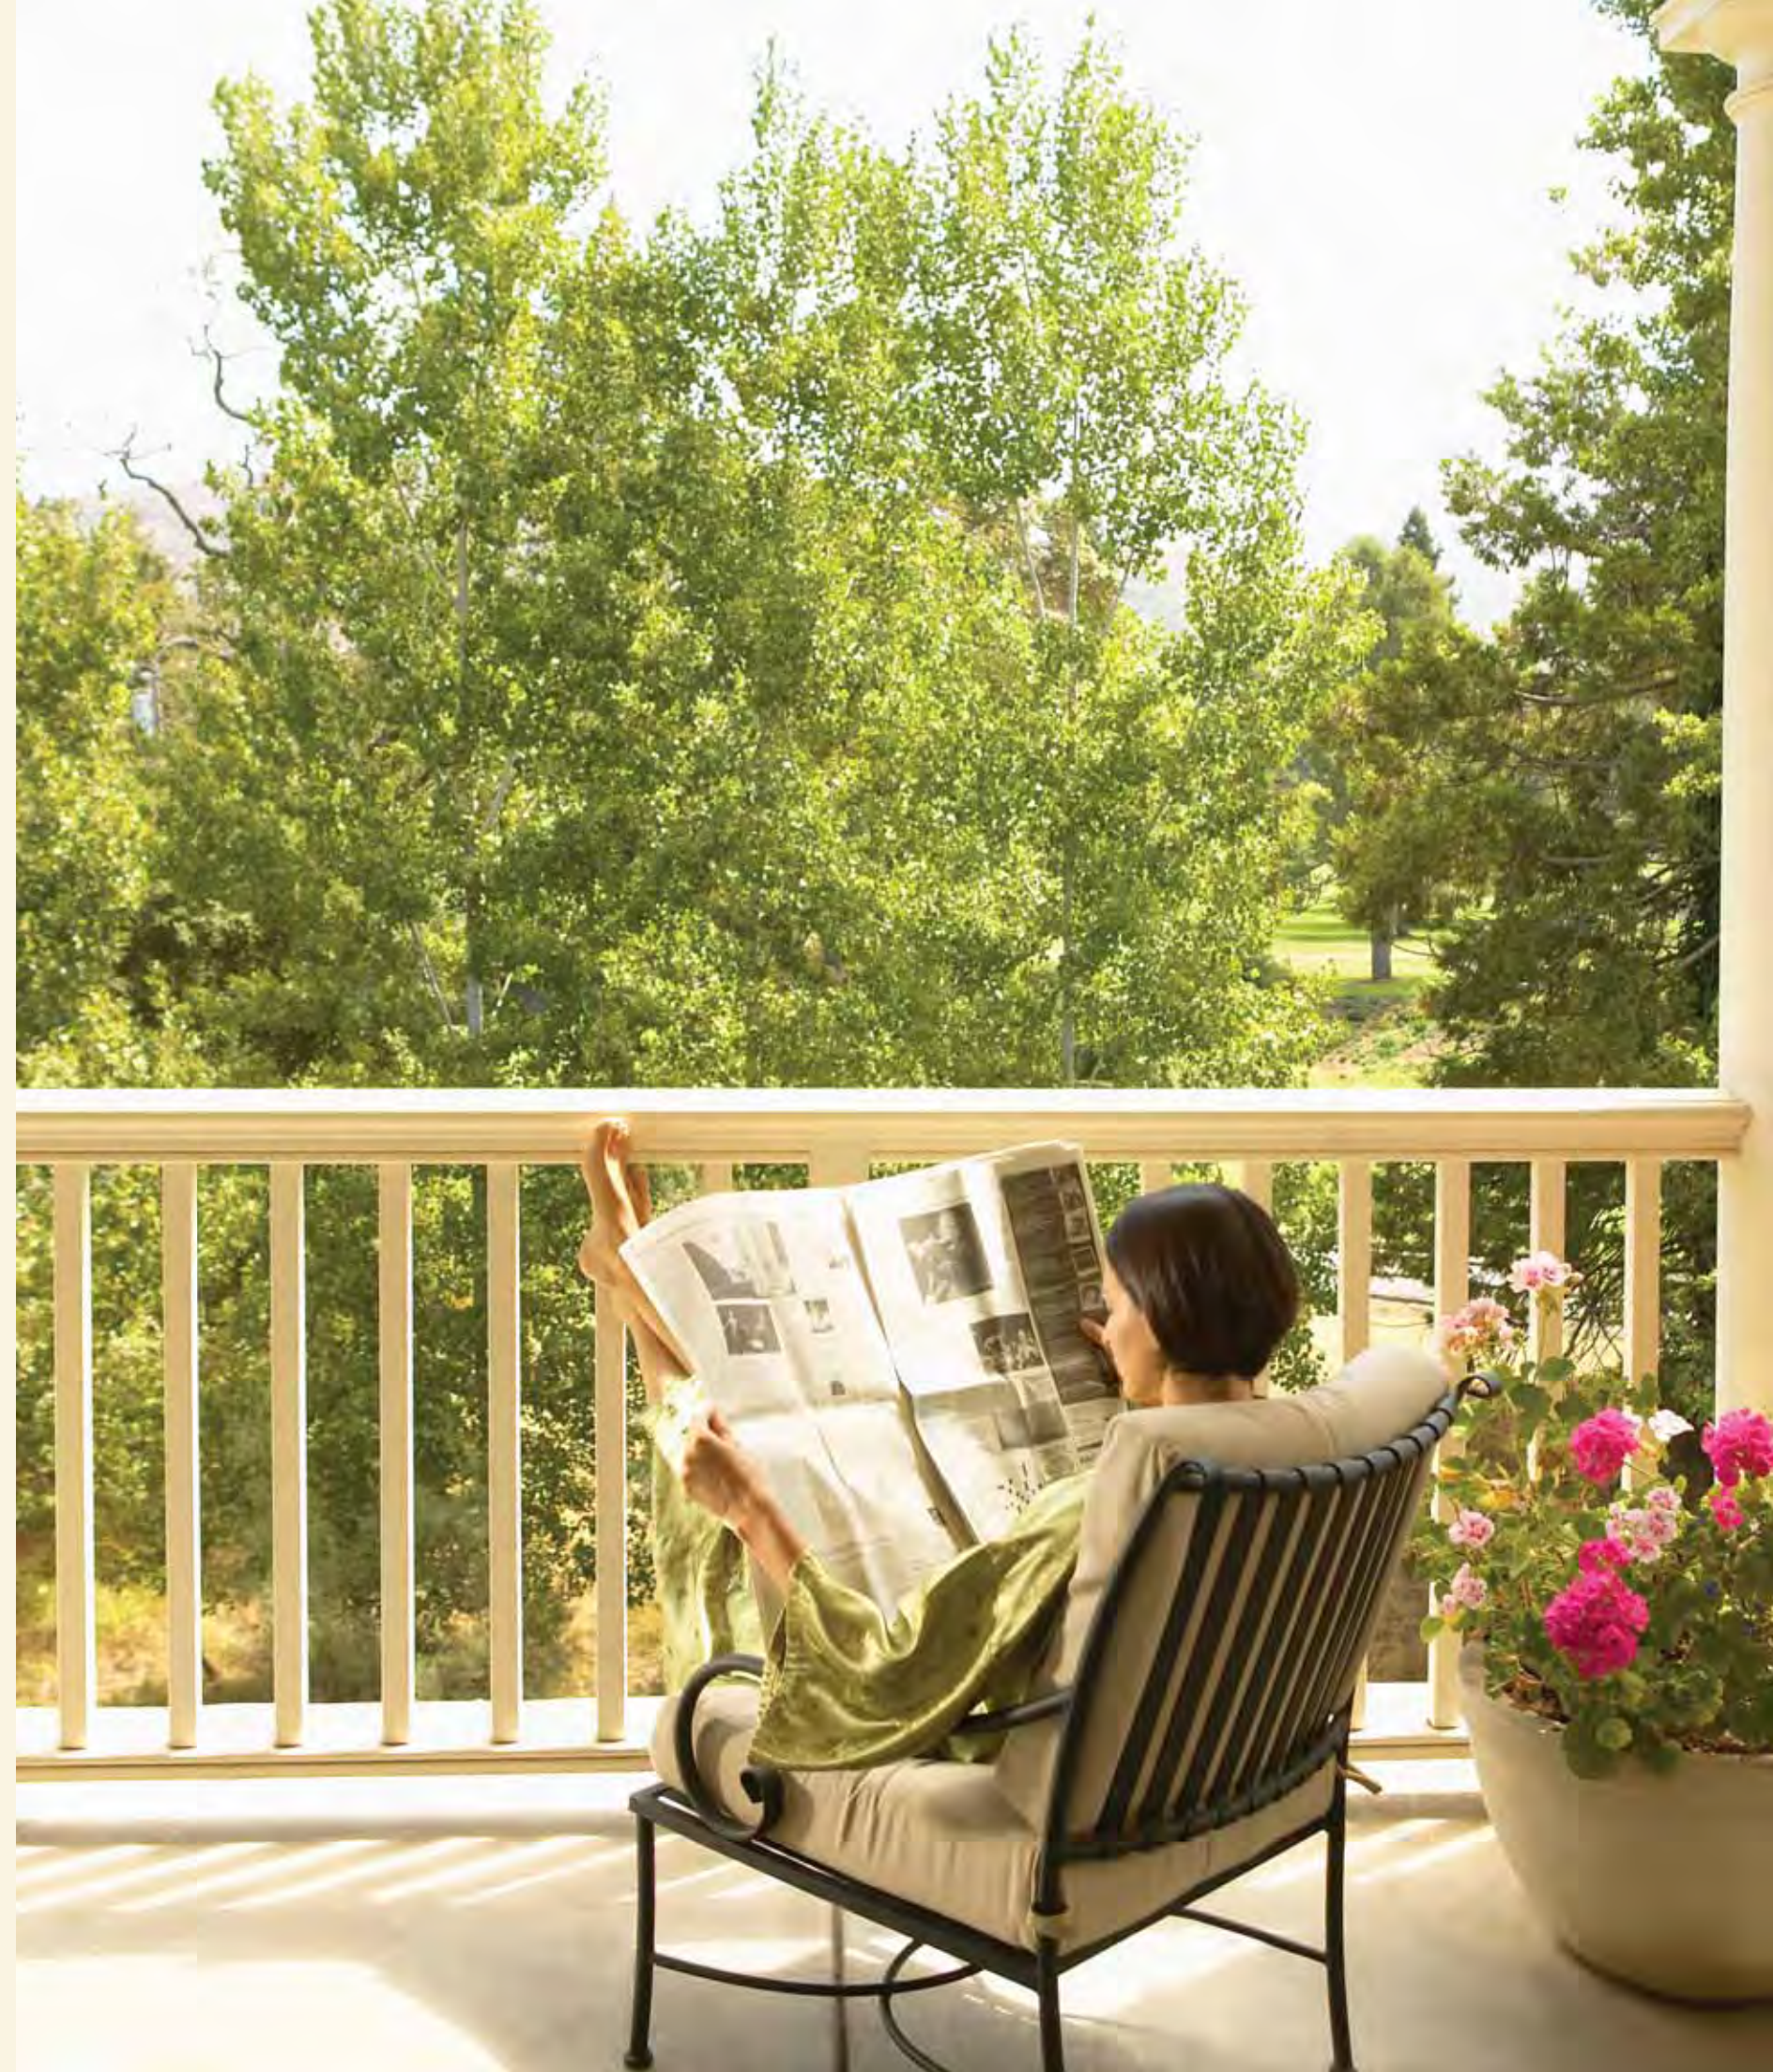

garden courtyards, tranquil swimming pools or championship golf courses.

All accommodations pamper guests with upscale comforts and conveniences such as wireless internet and weekday newspaper, plush robes, Egyptian cotton sheets, coffee bar, compact disc players and televisions with premium movie channels.

Business travelers appreciate Silverado's room service, concierge assistance and valet laundry service as well as full Business Center.

*Silverado's 280 accommodations are an inspired collaboration of comfort and style.*

# Conferences & Events

Silverado's versatile indoor/outdoor function space, comprehensive group services and modern technology justify the resort's distinction as an exceptional meeting and event venue.

The two-level, dedicated Conference Center welcomes groups from five to 500 in 15,000 square feet of space including 15 individual meeting rooms, each named after a prominent Napa Valley winery. Highlighting the Conference Center is the 5,200 square-foot Silverado Ballroom, an elegant combination of French doors, sparkling chandeliers, soaring windows and 15-foot ceilings which can be divided into four separate, soundproof sections.

Three magnificent venues provide scenic outdoor alternatives. Adjacent to the Ballroom is the Fairway Deck, with 4,290 square feet of covered outdoor space, sweeping mountain and golf course views. The Arbor, a brick-paved outdoor courtyard, is favored for its versatility

and convenient proximity to the Conference Center's meeting rooms. Nearby, the Grove's delightful setting amidst stately oak, pine and redwood trees is popular for receptions, barbeque cookouts and special events up to 1,500 guests.

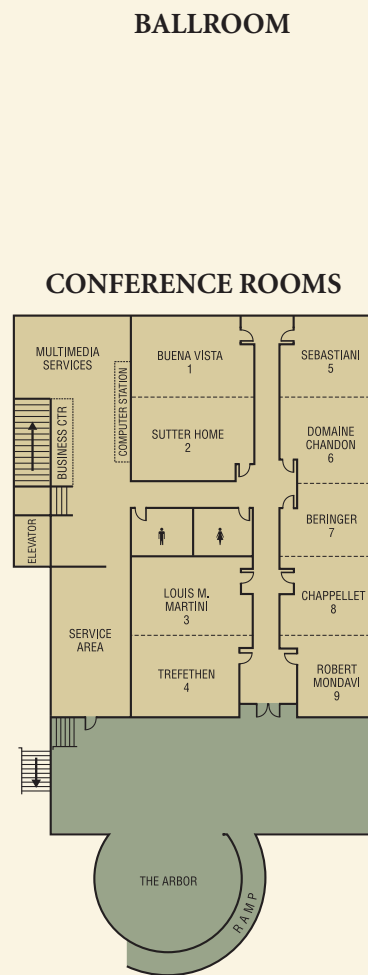

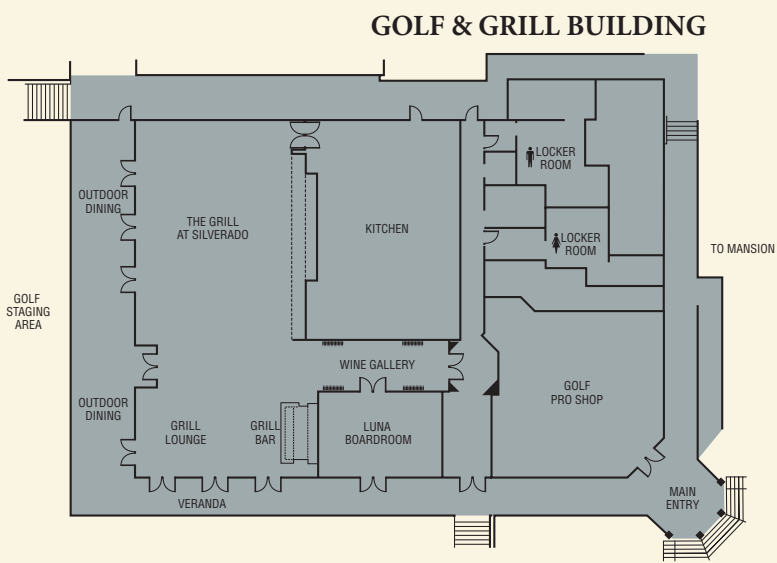

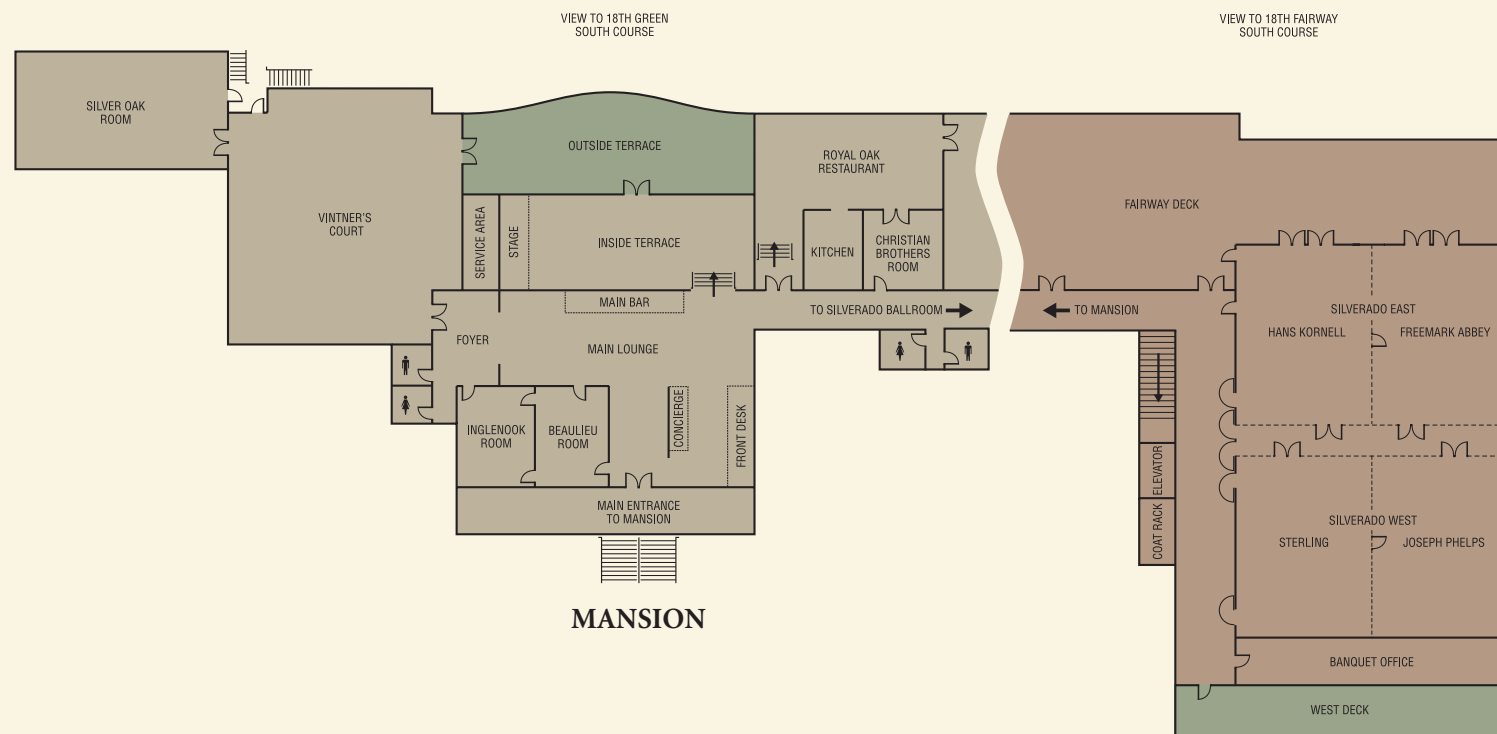

For smaller meetings, a recent multi-million dollar renovation has enhanced a junior ballroom, nine breakout rooms and four intimate boardrooms, each modernized with sophisticated décor and technology.

Silverado's comprehensive group amenities also include an onsite Multimedia department to manage all audio-visual and lighting services, a dedicated banquet kitchen and creative catering services team to coordinate event menus, décor and entertainment.

Resort-wide wireless internet access and a full service Business Center with a computer work station, fax, copy, and shipping services allows guests to easily work from the road.

# Resort Dining

A trio of remarkable dining options awaits Silverado guests. The Grill at Silverado is open for all day dining and cocktails, presenting contemporary wine country cuisine with an Asian flair. The stylish atmosphere is clubhouse friendly ~ a convenient oasis for an après-golf refreshment or between-meetings meal.

The Main Lounge invites guests to sip wine and sample appetizers by the fireplace or on the outdoor patio. Open afternoon and evenings, this is the place for generous cocktails, tempting hors d'oeuvres and social networking.

In the signature Royal Oak Steak and Seafood Restaurant, the ambiance is wine country chic with scenic golf course views and sophisticated decor. This classic steakhouse is known for its tableside prepared Caesar salad, thick-cut Angus Certified steaks and fresh seafood seared to perfection.

With an amiable wait staff that averages over 15 years of experience, the service is a perfect balance of finesse and friendliness. The 275-label wine list has been repeatedly recognized with the Wine Spectator's coveted Award of Excellence for its extensive and progressive style selections.

*Anticipate innovative menus that reflect Silverado's commitment to serving fresh, locally grown and sustainable cuisine.*

# Championship Golf and Exceptional Recreation

Silverado's two 18-hole, par-72 championship golf courses are as well known as the resort itself. Designed by Robert Trent Jones Jr., Silverado's North and South Courses cover 360 scenic acres of oak shaded fairways and meticulously manicured greens. But don't let the beauty distract you. Challenging layouts, artfully placed traps and scenic water crossings test even the low handicappers.

A stylish 10,000 square foot clubhouse overlooks the putting green and driving range, and features a pro shop, equipment and cart rentals, locker rooms, private boardroom, casual

dining restaurant and lounge. Staff golf professionals offer lessons and specialize in customizing private golf events ~ from tee prizes, range balls, baggage storage and on-course competitions ~ to catered lunches or dinners and awards ceremonies.

Silverado's 17 plexi-paved tennis courts (lessons and equipment rental available) are some of the finest in the western United States. Ten sparkling swimming pools dot the resort grounds, affording both lap and lounging opportunities. Mountain bike rentals and a network of landscaped jogging trails provide more extreme recreational options.

*Silverado's Championship Golf Courses have proudly hosted  
28 PGA Men's Tour and Champion's Tour events.*

# The Spa at Silverado

Inspired by the classic spas of ancient Rome, the Spa at Silverado is a tranquil private retreat exclusive to guests of Silverado Resort. Surrounded by sun-splashed garden courtyards, the 16,000 square foot luxury complex integrates first-class fitness, spa and salon services in a casually elegant setting. Up to 17 services can be performed simultaneously by The Spa's certified staff, allowing us to comfortably accommodate group capacities of up to 150 in one day.

Among the Spa's pleasures are: Separate men's and women's solarium lounges, saunas, steam rooms and cascade whirlpools; 17 specially designed private treatment rooms and outdoor garden treatment cabanas; an expansive strengthening and cardiovascular equipment

studio; daily stretching and exercise classes for all fitness levels; private training sessions; full service hair and nail care salon, Spa Café with indoor and poolside seating; specialty retail boutique and several landscaped courtyards ideal for group receptions.

The Spa at Silverado offers meeting planners the option of adding health-inspired features to conference agendas ~ from nutrition counseling and fitness demonstrations to stress management seminars. Increase attendee energy, attentiveness and productivity by having the Spa fitness trainer conduct a "stretch break" during meetings, having a massage therapist on-site to conduct neck and shoulder massages, or feature a selection of fresh fruit smoothies and juices as a healthy alternative to coffee breaks.

*Blending nature and luxury for relaxation, rejuvenation and well-being.*

# Napa Valley

Silverado Resort's prime location is the ideal base for exploring the spectacular beauty, rich cultural and recreational pleasures of this world-renowned wine region.

With more than 400 wineries, Napa Valley has long been the heart of the American wine industry. Wine appreciation classes, guided winery tours and the Napa Valley Wine Train make planning a grape adventure simple.

Adding culinary caché is the Culinary Institute of America (CIA) at Greystone, with professional cooking demonstrations, and COPIA: The American Center for Food, Wine and the Arts, which offers assorted exhibitions, performances, gardening programs, culinary and wine events.

Active travelers enjoy a range of pursuits here, including hot air ballooning over Napa Valley's verdant hills, touring vineyards by bicycle, horseback riding in a local state park or gliding along on a scenic river cruise. A host of upscale shopping boutiques, antique shops and art galleries delight visitors throughout charming valley communities.

Enhancing the Napa Valley experience is a mild year-round climate featuring sun-splashed afternoons made for outdoor activity. Business *and* pleasure? Why not? Napa Valley's exceptional bounty of visitor attractions, recreation and welcoming hospitality has earned it a distinction as one of the world's most famous and desirable visitor destinations.

*California's native Wappo Indians named the region "Napa" ~ (Valley of Plenty) and called it "Talabussi" ~ (Beautiful Land).*
